Width:

Between 1.118 inches and 1.120 inches

Thickness:

0.250 inches

Length:

1.550 inches

Mounting Hole Diameter:

0.250 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

End Application:

Pacer dawn

Special Features:

Bfinish iaw mil-8624 type 2 cl 2 black; item also has 2 additional holes requiring 0.138-30 unc-20 thds & are csk 0.250 in. Pom 0.010 in.

Acceptability of screw thds iaw fed-std-h 28/20 system 21

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-225/8 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
