Width:

0.690 inches

Overall Height:

0.580 inches

Material Thickness:

0.020 inches

Length:

0.850 inches

Mounting Method:

Unthreaded hole

Material:

Copper alloy 172

Material Specification:

Qq-c-533, alloy 172 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
