Width:

1.900 inches

Thickness:

0.100 inches

Length:

2.940 inches

Mounting Hole Diameter:

0.413 inches all holes

Mounting Hole Quantity:

1

Mounting Hole Type:

Unthreaded

Special Features:

Csk on far side; different from p/n 184c7546p1

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Special

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
