Width:

Between 1.244 inches and 1.256 inches

Thickness:

0.188 inches

Length:

6.500 inches

Mounting Hole Diameter:

0.343 inches all holes and 0.403 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Material:

Steel uns k02600 or steel

Material Specification:

Astma-36 assn standard 1st material response or astm a569 assn standard 2nd material response or astm a366 assn standard 3rd material response

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
