Width:

0.250 inches

Mounting Method:

Mounting slots

Height:

0.720 inches

Material:

Stainless steel

Surface Treatment:

Passivate

Surface Treatment Specification:

Qq-d-35, type ii federal specification single treatment response

Fsc Application Data:

Remote indicator panel assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
