Casehardening Indicator:

Casehardened

Material Hardness Rating:

Between 44.0 rockwell c and 59.0 rockwell c

Special Features:

Dia. 0.063 in. By 12.000 in.

Material:

Steel, qq-w-470

Material:

Steel uns k08500

Material Specification:

Qq-w-470 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-a
