Overall Length:

10.000 inches

Special Features:

The handle assembly consist of p/n-123-4775360 items 6--1 (bar), 6- (bar) and 6-3(bar) ; 6-3 is centrally located with a 0.1905 in keyway and 1.500 in od; 6-1 and 6-2 are ends; 6-2 has a 0.06 x 45 degrees cham, 1.000 in lg, forming a d-shape on one end for attachment

Material:

Steel comp 304

Material Specification:

Qq-s-763 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
