Width:

1.660 inches

Thickness:

0.190 inches

Length:

3.200 inches

Mounting Hole Diameter:

0.177 inches all holes and 0.187 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

Features Provided:

Raised surface

Raised Surface Length:

1.020 inches

Raised Surface Width:

1.660 inches

Raised Surface Height:

0.250 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
