Overall Length:

1.950 inches

Overall Width:

1.000 inches

Mounting Hole Diameter:

Between 0.188 inches and 0.191 inches

Mounting Hole Quantity:

3

End Application:

An/alm-23 (c)

Features Provided:

Nut

Special Features:

Yadditional hole diameter 0.187 to 0.193 in. W/dist from edge to hole cbtr along length of 0.880 in.; item requires 3 clinch nuts p/n mil-n-45938, c to c distance btwn nuts along width 0.405 in., and 0.665 in. Along length, item is 0.063 in. Thk

Material:

Aluminum alloy 5052

Material Specification:

-qq-250/8, h-32 federal specification single material response

Surface Treatment Specification:

Mil-c-5541 cl3 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0

Mil-std (military Standard):

Mil-c-5541 spec.
