**Overall Length:**

1.950 inches

**Overall Width:**

1.000 inches

**Mounting Hole Diameter:**

Between 0.188 inches and 0.191 inches

**Mounting Hole Quantity:**

3

**End Application:**

An/alm-23 (c)

**Features Provided:**

Nut

**Special Features:**

Yadditional hole diameter 0.187 to 0.193 in. W/dist from edge to hole cbtr along length of 0.880 in.; item requires 3 clinch nuts p/n mil-n-45938, c to c distance btwn nuts along width 0.405 in., and 0.665 in. Along length, item is 0.063 in. Thk

**Material:**

Aluminum alloy 5052

**Material Specification:**

-qq-250/8, h-32 federal specification single material response

**Surface Treatment Specification:**

Mil-c-5541 cl3 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A042a0

**Mil-std (military Standard):**

Mil-c-5541 spec.
