Overall Length:

11.950 inches

Handle Height:

1.330 inches

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200/9, 6063-t52 federal specification single material response

Surface Treatment:

Plastic acrylic

Surface Treatment Specification:

Mil-p-20689, type 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0

Mil-std (military Standard):

Mil-p-20689 spec.
