Overall Length:

6.630 inches

Overall Height:

4.500 inches

Overall Width:

13.500 inches

Mounting Hole Type:

Plain

Base Thickness:

0.250 inches

Leg Thickness:

0.250 inches

Hole Quantity:

22

Angle:

90.0 degrees

Distance From End To Leg Along Length:

3.190 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Surface Treatment:

Paint

Style Designator:

Center projection

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
