Material Thickness:

4.0 millimeters

Mounting Hole Diameter:

5.6 millimeters

Mounting Hole Quantity:

4

Body Width:

55.0 millimeters

Reversible Feature:

Not included

Developed Distance From Pin Center To Offset Door Leaf Edge:

69.0 millimeters

Material And Location:

Steel

Surface Treatment And Location:

Chromate, mil-c-5541, class 1a

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25100
