Overall Length:

5.120 inches

Overall Width:

4.300 inches

End Application:

F-15e

Special Features:

Material thickness 0.063 in.

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
