Overall Length:

9.280 inches

Overall Width:

3.030 inches

End Application:

F-15e

Special Features:

Item thickness 0.063 in.

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 cond 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
