Overall Length:

4.375 inches

Overall Height:

3.000 inches

Overall Width:

2.125 inches

Material Thickness:

0.080 inches

Mounting Hole Diameter:

0.187 inches

Mounting Hole Type:

Plain

Hole Quantity:

4

Distance Between Hole Centers:

3.939 inches

Special Features:

Two holes 0.687 in. Dia. And four holes 0.187 in. In top portion

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h32 federal specification single material response

Style Designator:

Quadruple angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
