Overall Length:

3.000 inches

Overall Width:

1.500 inches

Mounting Hole Diameter:

Between 0.290 inches and 0.297 inches

Mounting Hole Quantity:

2

End Application:

F-15e

Special Features:

Matl thickness 0.063 in.; flg bup 90 deg, holes mate w/68a115100 & 68a115106

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 cond-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
