**Overall Length:**

1.750 inches

**Overall Height:**

0.585 inches

**Overall Width:**

0.625 inches

**Design Type:**

Straight

**Material:**

Steel comp 303

**Material Specification:**

Qq-s-763, class 303 federal specification single material response

**Surface Treatment:**

Oxide film

**Surface Treatment Specification:**

Mil-c-13924, class 4 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A536n0

**Mil-std (military Standard):**

Mil-c-13924 spec.
