Overall Length:

6.120 inches

Overall Height:

7.250 inches

Mounting Hole Diameter:

0.462 inches

Mounting Hole Quantity:

2

Material:

Aluminum alloy 5083

Material Specification:

Qq-a-250/6 federal specification single material response

Specification Data:

80212-4190899 manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
