Securing Device Type:

Special

Mounting Opening Shape Style:

Unthreaded hole

End Application:

2350-01-305-0028

Material:

Glass fiber and steel

Material Specification:

Mil-a-71070 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0

Mil-std (military Standard):

Mil-a-71070 spec.
