## Overall Length:

8.250 inches

## Overall Height:

1.500 inches

Overall Width:
3.000 inches

## Material Thickness:

0.1196 inches

## Mounting Hole Diameter:

Between 0.310 inches and 0.330 inches

## Hole Quantity:

2

## Distance Between Hole Centers:

### 7.210 inches

## Special Features:

Item has two slots 0.750 from each end; 0.500 long, 0.187 wide.

## Material:

Steel comp 1009
Material Specification:
Astma569 assn standard single material response or astma366 assn standard single material response

## Surface Treatment:

Paint
Style Designator:
Quadruple angle
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A042a0
