Overall Length:

8.250 inches

Overall Height:

1.500 inches

Overall Width:

3.000 inches

Material Thickness:

0.1196 inches

Mounting Hole Diameter:

Between 0.310 inches and 0.330 inches

Hole Quantity:

2

Distance Between Hole Centers:

7.210 inches

Special Features:

Item has two slots 0.750 from each end; 0.500 long, 0.187 wide.

Material:

Steel comp 1009

Material Specification:

Astma569 assn standard single material response or astma366 assn standard single material response

Surface Treatment:

Paint

Style Designator:

Quadruple angle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
