**Cross-sectional Shape:**

Square

**Special Features:**

0.112-40nc-2b 4 corner holes; 1.500 lg and wdth; 0.375 ht

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11 t651 federal specification single material response

**Surface Treatment:**

Anodize

**Surface Treatment Specification:**

Mil-f-14072 e513 military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A08900

**Mil-std (military Standard):**

Mil-f-14072 spec.
