Overall Length:

3.000 inches

Overall Width:

0.750 inches

Material Thickness:

0.125 inches

Mounting Hole Diameter:

Between 0.154 inches and 0.161 inches

Hole Quantity:

2

Material:

Steel comp 1009

Material Specification:

Astma569 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10600
