Overall Length:

3.920 inches

Overall Height:

0.190 inches

Overall Width:

0.500 inches

Design Type:

Straight

Special Features:

Includes one hole, 0.257 in. Dia

Material:

Steel comp 304

Material Specification:

Qq-s-766, class 304 federal specification single material response

Surface Treatment:

Enamel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A536n0
