Width:

3.880 inches

Thickness:

0.875 inches

Length:

3.940 inches

Mounting Hole Diameter:

0.405 inches all holes and 0.412 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Mounting Configuration:

Located 1.625 in. C to c along w

Special Features:

Opposite of p/n 3294as105-2

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Surface Treatment Specification:

Mil-a-8625 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-a-8625 spec.
