## Width:

Between 8.230 inches and 8.270 inches

## Length:

12.400 inches

# Securing Device Type:

Special

## Material:

Aluminum alloy 6061

# Material Specification:

Qq-a-250/11 federal specification single material response

## Surface Treatment:

Paint

#### Shelf Life:

N/a

## Unit Of Measure:

--

## Demilitarization:

No

#### Fiig:

A531c0
