Width:

2.250 inches

Thickness:

0.125 inches

Length:

7.500 inches

Mounting Hole Diameter:

0.119 inches all holes and 0.125 inches all holes

Mounting Hole Quantity:

4

Mounting Hole Type:

Unthreaded

Special Features:

Four additional holes, 0.220 in. Min and 0.226 in. Maximum dia

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-5541, cl 1a military specification 1st treatment response or mil-c-5541, cl 3 military specification 1st treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-5541 spec.
