Overall Length:

3.085 inches

Overall Height:

0.126 inches

Overall Width:

1.660 inches

Mounting Hole Quantity:

9

Mounting Hole Type:

Countersunk and plain

Features Provided:

Nut

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
