**Width:**

6.000 inches

**Thickness:**

0.125 inches

**Length:**

9.500 inches

**Mounting Hole Diameter:**

0.205 inches all holes and 0.211 inches all holes

**Mounting Hole Quantity:**

8

**Mounting Hole Type:**

Unthreaded

**Special Features:**

Four additional holes, 0.280 in. Min and 0.287 in. Maximum dia

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11 federal specification single material response

**Surface Treatment:**

Chromate

**Shape:**

Rectangular

**Surface Treatment Specification:**

Mil-c-5541, cl 1a military specification 1st treatment response or mil-c-5541, cl 3 military specification 1st treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530d0

**Mil-std (military Standard):**

Mil-c-5541 spec.
