**End Application:**

Pacer dawn

**Special Features:**

Has swaged bearing p/n ms14103-103-10; no-load rotational breakway torque after swaging equals 1 to 15 in. Lbs.

**Material:**

Steel comp 630

**Material Specification:**

Ams5643 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A264a0
