End Application:

Pacer dawn

Special Features:

Has swaged bearing p/n ms14103-103-10; no-load rotational breakway torque after swaging equals 1 to 15 in. Lbs.

Material:

Steel comp 630

Material Specification:

Ams5643 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A264a0
