### **Overall Length:**

14.5000 inches

## **Overall Width:**

1.3125 inches

## Material Thickness:

0.1875 inches

## **Operational Direction:**

Left-hand

Material:

Aluminum alloy 6061

## **Material Specification:**

Qq-a-200/8 federal specification single material response

Shelf Life:

N/a

#### Unit Of Measure:

--

#### Demilitarization:

No

### Fiig:

A042a0
