Overall Length:

14.5000 inches

Overall Width:

1.3125 inches

Material Thickness:

0.1875 inches

Operational Direction:

Right-hand

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200/8 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
