Hole Diameter:

Between 0.265 inches and 0.269 inches

Width:

0.600 inches

End Application:

Pacer dawn

Distance From Hole Center To End:

0.630 inches

Height:

0.200 inches

Material:

Stainless steel

Material Specification:

Ams 5659 assn standard single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A09900
