Width:

0.910 inches

Thickness:

0.075 inches

Length:

4.090 inches

Mounting Hole Diameter:

0.221 inches all holes

Mounting Hole Quantity:

3

Mounting Hole Type:

Unthreaded

Material:

Steel comp 410

Material Specification:

Aisi 410 assn standard single material response

Surface Treatment:

Passivate

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
