Width:

3.250 inches

Thickness:

0.250 inches

Length:

3.250 inches

Mounting Hole Diameter:

0.266 inches all holes

Mounting Hole Quantity:

2

Material:

Steel comp 410

Material Specification:

Aisi 410 assn standard single material response

Surface Treatment:

Passivate

Shape:

Round

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
