Mounting Facility Quantity:

2

Mounting Facility Spacing:

5.360 in. Min and 5.370 in. Maximum c to c

Color:

Black

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 t6 federal specification single material response

Surface Treatment:

Lacquer

Surface Treatment Specification:

Tt-I-20 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A05500
