Mounting Facility Quantity:
2
Mounting Facility Spacing:
5.360 in. Min and 5.370 in. Maximum c to c
Color:
Black
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-250/11 t6 federal specification single material response
Surface Treatment:
Lacquer
Surface Treatment Specification:
Tt-I-20 federal specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A05500
