_	
Chaoia	l Features:

Wedge shaped; length .560 inches; width .245 inches; height .270 inches; thru hole .139 inch min dia. And .144 inch maximum dia.

Material:

Aluminum alloy 6061

**Material Specification:** 

Qq-a-200/8, alloy 6061, t6 federal specification single material response

**Surface Treatment:** 

Anodize

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A535I0
