Width:

0.3800 inches

Thickness:

0.06200 inches

Length:

0.8000 inches

Mounting Hole Diameter:

0.1250 inches all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

Mounting Configuration:

Both holes are located 0.1900 in. From edge along the width and 0.100 in. From the edge of width

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Anodize

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
