Mounting Hole Diameter:

Between 0.204 inches and 0.212 inches

Mounting Hole Quantity:

3

End Application:

Pacer dawn

Special Features:

4th hole is 1.070 by 1.080. Item length from centers of largest to farthest mounting hole is 2.690 inch.

Material:

Steel comp 347

Material Specification:

Ams5512 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
