Width:

0.530 inches

Thickness:

0.150 inches

Length:

1.000 inches

Mounting Hole Diameter:

0.086 inches all holes

Mounting Hole Quantity:

2

Thread Size:

0.086-56

Aperture Diameter:

Between 0.1875 inches and 0.1880 inches

Mounting Hole Type:

Threaded

Screw Thread Series Designator:

Unc

Features Provided:

Aperture

Aperture Shape:

Round

Material:

Plastic

Material Specification:

Ki--90-08, gec avionics mfr ref single material response

Surface Treatment:

Paint

Shape:

Rectangular

Surface Treatment Specification:

Mil-c-83286 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0

Mil-std (military Standard):

Mil-c-83286 spec.
