

View Online at <https://aerobasegroup.com/nsn/5340-01-388-1808>

Diameter:

Between 0.430 inches and 0.450 inches

Thickness:

Between 0.005 inches and 0.007 inches

Special Features:

Material: indium

Material Specification:

Qq-s-571, alloy in99 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
