**Diameter:**

Between 0.430 inches and 0.450 inches

**Thickness:**

Between 0.005 inches and 0.007 inches

**Special Features:**

Material: indium

**Material Specification:**

Qq-s-571, alloy in99 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A539r0
