Width:

2.200 inches

Thickness:

0.125 inches

Length:

2.380 inches

Mounting Hole Diameter:

0.152 inches all holes

Mounting Hole Type:

Unthreaded

Material:

Aluminum alloy 5052

Material Specification:

Aa-q-250/8 federal specification single material response

Surface Treatment:

Chromate

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A530d0
