Width:

311.0 millimeters

Thickness:

3.00 millimeters

Mounting Hole Diameter:

9.0 millimeters all holes

Mounting Hole Quantity:

2

Mounting Hole Type:

Unthreaded

End Application:

W/s: lvs power unit mk48 and trailer family

Mounting Configuration:

The holes are 38 millimeter from the side and 235 mm from center of hole to center of hole

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
