Overall Width:

0.150 inches

Material:

Copper alloy 260 or copper alloy 268

Material Specification:

Qq-b-613 260 or 268 federal specification single material response

Surface Treatment:

Silver

Surface Treatment Specification:

Qq-s-365 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A042a0
