Width:

1.000 inches

Thickness:

0.250 inches

Length:

4.180 inches

Mounting Hole Diameter:

0.376 inches all holes

Mounting Hole Quantity:

1

Mounting Hole Type:

Unthreaded

Material Hardness Rating:

Between 39.0 rockwell c and 45.0 rockwell c

Material:

Steel comp 630

Material Specification:

Ams 5355 assn standard single material response

Shape:

Special

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A530d0
