**Width:**

Between 1.635 inches and 1.675 inches

**Thickness:**

0.125 inches

**Length:**

Between 1.635 inches and 1.675 inches

**Mounting Hole Quantity:**

4

**Thread Size:**

1/2in-40

**Aperture Diameter:**

Between 1.492 inches and 1.508 inches

**Mounting Hole Type:**

Threaded

**End Application:**

Pacer dawn

**Screw Thread Series Designator:**

Nc

**Features Provided:**

Aperture

**Aperture Shape:**

Round

**Material:**

Aluminum alloy 6061

**Material Specification:**

Qq-a-250/11 federal specification single material response

**Surface Treatment:**

Chromate

**Shape:**

Square

**Surface Treatment Specification:**

Mil-c-5541, cl 1a military specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A530d0

**Mil-std (military Standard):**

Mil-c-5541 spec.
